Dear Inspector Caldwell:

Thank you for your cordial telephone call today. I deeply appreciate the time and effort involved in calling to set the record straight about the remarks made by Mr. Benton Russell before our Subcommittee on Administration of Justice-Law Enforcement in Austin recently. I appreciate your willingness to send me a formal statement regarding the matters we discussed. I assure you they will be entered in the permanent record of the Subcommittee hearings.

According to our conversation, I am sending you a copy of the statement as presented before the full Governor's Committee on Human Relations on Friday, February 13, 1970. You will notice the cover sheets give the names of the full Subcommittee, as well as the names of those who conducted the hearings and those who wrote the final report. There is also another cover page which gives the names of all the witnesses who appeared before our Subcommittee members with their addresses. Any communication you would like to make to them would also be welcome.

I look forward to having you appear before our Subcommittee at our next meeting. The final date has not yet been decided but when it is I will be in contact with you. Thank you again for taking the time you did to talk to me. It was extremely enlightening and profitable.

Sincerely yours,

John Allen Chalk
